AGENDA:

- I. Reports
 - a. Membership
 - i. A request was made to purchase a printer that prints better quality membership cards and that could be used at the SIBBA Symposium and other functions.
 1. Teresa usually waits until she has four (4) new members before creating membership cards as they come 4 to a sheet.
 2. There were three (3) new members since the last meeting and 8 new members in the last six months
 - ii. It was suggested that sometime in the future, we possibly purchase a laptop for the membership director, so that all information will stay with that person and passed on whenever a new membership director comes on board.
 - iii. Kathy G. will send out an e –mail for a vote on the purchase of a printer once Gori gives us a cost for the printer.
 - b. Web Site
 - i. Gori is working on a way to change “username” for members
 - ii. Eventually, the membership card will have a six-digit number to access the member’s log-in
 - iii. Currently, members can change their passwords
 - c. Merchandise
 - i. The company that did our shirts made a mistake in the Judo and Hapkido shirts. They will replace them at no cost.
 - d. Scoreboards
 - i. Holly has checks to give Ana for use of scoreboards and merchandise
 - ii. Ed will be setting up the scoreboards for the upcoming tournament. We will need someone to work the tech positions.
 - e. Instructor Certification
 - i. Kenwood discussed Judo instructor certification at the State and National level and will work on getting a document to Master Voorhees to include Judo in Instructor Certification.

- II. SIBBA Symposium
 - a. Gori will bring a computer and printer for registration
 - b. It was suggested to have Scholarship Applications printed and set out for participants.
 - c. Kathy G. will contact Ana to see about books needing to be ordered. Master Voorhees offered to purchase if he knows how many about a week and a half before November 11th.
 - d. A block of rooms have been reserved at the Microtel for \$52.00 for a double room.
 - e. Future SIBBA Symposiums: we should look at the number of “additional costs” we may have for presenters. How do we keep the cost of the Symposium down and have high quality presenters from a variety of martial arts backgrounds?

- III. Other Items
 - a. Black Belt Workouts: it was suggested that the SIBBA sponsor a blackbelt workout on Saturday after the Black Belt Reunion.
 - b. We also talked about offering other blackbelt workouts throughout the year.
 - c. Banquet will be coming up soon and delegate positions are for one (1) year and the presidency position is open. Current delegates may serve three years and may be placed on the ballot again. Please consider a position on the cabinet or recruit people to run for offices.
