Given by:

Holly Bignall

Co-chair of the Scoreboard Committee

Annual meeting February, 16th 2008

2007 committee consisted of:

Ed Jackson

Holly Bignall

Rex Fernando

Mani Mina

The SIBBA provided Scoreboards for 5 tournaments in 2007:

Two Rivers invitational

Dueling Dragons invitational (Ames P&R/Boone)

Iowa Governor's Cup

Iowa Games

Iowa Sate Championships

We have received payment for all of these with the exception of the Iowa Games.

We have licenses and hardware to run six ringmaster systems.

We need donations of – 4 Laptop computers

– 8 Flat screen monitors (preferably 19" or larger)

– Cash or gift certificate donations for buying equipment

New for 2008:

We expect to increase that number of tournaments we serve to at least 6 with the addition of the USTF Iowa TKD Championships.

We are adding 2 people to the Scoreboard committee.

Ben Davis

Scott Graham

(Thank you to these gentlemen both of whom have been helping us with the system for quite some time.)

We would like to add at least 2 additional members to the scoreboard committee.

We ask that you be willing to be the tech for a tournament which means: packing up the equipment, transporting it (or arranging with the Taekwondo club to transported it), setting it up, troubleshooting problems during the tournament, tearing it down, and putting it back away. We will train you on this process. We would like to have two techs per tournament. If we had 8 techs, that would mean each person would only need to tech at one or two tournaments.

PLEASE VOLUNTEER
